

Dear Boris,

I would like to take this opportunity to express my heartfelt thanks to you for your participation with the Kinder Foundation in our recent charity event on Thursday, September 14th, 2006 at LeParc in Toronto to help raise funds for Bloorview Kids Rehab Foundation.

The Kinder Foundation was formed in 1995 to help raise money to support children's charities. Over the past eleven years the Kinder Foundation, through its annual golf tournament and gala dinner, has raised more than \$800,000 in support of the Bloorview Kids Rehab Foundation (formerly the Bloorview MacMillan Children's Foundation). This year's event brought in over 400 people consisting of donors and corporate sponsors.

The entertainment you provided during the gala was very well received by those in attendance. The content was well suited and appropriate for the audience, sensitive to the particulars and carefully articulated. The performance was captivating and retained the audience's attention throughout the 90 minute show. This fast pace and outstanding performance kept the audience on the edge of their seats and had them talking about it for weeks after with their peers and will continue to be a conversation topic for a long time after.

Many people had commented that they were unsure of how real it was at first but had left the event a believer. Many commented on how fantastic Boris was, that they haven't laughed that hard in a long time, and that it created an upbeat and entertaining atmosphere which is what we were trying to achieve.

Again, thank you so much for your enthusiastic participation in our event. There is no doubt that it would not have been as enjoyable and entertaining without your presence. The Kinder Foundation would strongly consider having you return for future performances and will highly recommend you to others.

On Behalf of the Kinder Foundation committee,

Joe Arfin
Director
