Re: Comedy Hypnotist and Motivational Speaker – Incredible Boris Chemiak

Our school Student Advisory Council arranged an assembly with the Incredible Boris during April 2017. Boris was incredibly accommodating and made the booking process easy. He was organized, on time and guided us through the set up process with ease. He put on a fantastic show for the students! His message was positive and motivational. All students were encouraged to participate but there was no pressure to do so. Boris offered some insight into the benefits of hypnosis and explained the process in a way that the students could understand. The students shared lots of laughs and left with the message that they can do anything that they put their minds to. We look forward to inviting the Incredible Boris back to our school again in the future. Thanks for the great show!

Sincerely,

Tamara Fenton
