To Whom It May Concern:

My name is Ken Carpenter, Entertainment Manger at Treasure Island Resort & Casino. I recently booked Boris Cherniak, "Incredible Boris," as a headlining entertainer in Treasure Island's Indigo Bay Showroom. I highly recommend Boris for any event or function because of his professionalism and extraordinary performances.

From our initial contact and throughout the booking process, Boris was professional, easy to work with and readily available. He was considerate, flexible and full of enthusiasm, which made working with him effortless and a joy. His genuinely pleasant attitude also shined through on stage.

Boris' reputation as being an amazing performer was only reinforced by his show at Treasure Island. The Incredible Boris show sold out quickly and we have received many positive comments from guests about the performance and several inquiries as to when he will be returning to Treasure Island. Boris fully engaged audience members and put on a truly unique and unbelievable show. Guests were in awe of his astonishing abilities and were thrilled with his natural, side-splitting humor and priceless comedic timing.

Overall, Boris is an exceptional person to work with and an outstanding performer. I confidently and gladly recommend him for any occasion.

Sincerely,
