On the evening of June 22, 2024, we had the privilege of seeing a wonderful performance by Boris. He drew the audience in from the beginning and the show was so much fun to watch. There was dancing, head rubbing, flexing and fake birds! The people on stage were fun to watch and the crowd had a blast. We are so grateful that Boris was able to make time for us and make our evening fun and entertaining.

Thank you for your time and energy!

A handwritten signature in black ink that reads "Wendy Baker". The signature is written in a cursive, flowing style.

Wendy Baker  
Plant Administrator
